INVITATION FOR EXPRESSION OF INTEREST FOR CONSULTANCY SERVICES FOR THE THE MID-TERM REVIEW OF THE IMPLEMENTATION OF EAHRC STRATEGIC PLAN 2016-2021

The East African Health Research Commission (EAHRC) is an institution of the East African Community (EAC) established by EAC Heads of State on 18th June, 2007 as a mechanism for making available to the community, advice upon all matters of health and health related research and findings necessary for knowledge generation, technological development, policy formulations, practices and related matters. EAHRC is the principal advisory institution to the EAC on health Research and Development (R&D).

The vision of the Commission is a healthy and prosperous community built on evidence-driven policy and practice, which emanate from high quality research.

Its mission is to improve health and well-being of the citizens of the Community by generating, accessing, capturing, assessing, synthesizing, sharing, disseminating, and utilizing health research and findings, as well as technological development that are suitable and relevant to the Community and its people.

The objective of the Commission is to promote, facilitate, and coordinate the conduct and application of health research for the improvement of health and for the wellbeing of the people of East Africa.
